Reading Comprehension

The following questions deal with the series of crises that weakened feudalism in Europe. Answer them in the space provided.

1. How did bubonic plague spread throughout Europe as far north as England?

2. What was the global impact of the plague?

3. What was the Hundred Years' War?

4. Who was Joan of Arc?

5. How did new weapons transform the conduct of war?

6. How did changes to towns as feudalism declined help lead to stronger monarchies?

7. Why did the French monarchy gain strength after the Hundred Years' War?

8. What do many historians consider as marking the end of the Middle Ages?

9. What led to new ideas that developed at the end of the Middle Ages?

10. What did the new era of learning come to be called?
