

13. On the back of the project put your final copy of the feudal contract.
14. On the cover of the project put your final copy of the shield.
15. Use my website www.roomofwonders.com to find pictures for your shutter book.
You may draw or print out the pictures.
16. Decorate the front of your project to look like a castle. Try to make it look authentic. Add color to the inside of your project to highlight ideas and draw attention to your project.
17. You may crumble your papers, dunk them in coffee, burn the edges (with parent help), and add colors to make your documents look old and authentic.
18. Imagine you were going to present this project to the President of the United States. Would you want it to look neat or sloppy?
19. This project is worth 500 points.
20. Review the Rubric and strive for excellence.
21. Don't be afraid to use your imagination, it is the difference between a 3 and a 4.
